- 4.2 For the purpose of this article, a "school day" is defined as any calendar day that the school offices are open for business except for winter and spring breaks.
- 4.3 If a grievance exists, the following steps shall be taken to resolve the grievance:

Step 1: Informal Meeting

Within fifteen (15) school days after the occurrence, or of knowledge of the act or condition which is the basis of the complaint, an informal grievance must be presented to the aggrieved party's Supervisor. If the Superintendent is the immediate supervisor, then the grievance will begin at Step 2.

The Immediate Supervisor will answer the grievance, in writing, within ten (10) school days.

If after discussion between the individual and their Immediate Supervisor if a disagreement still remains, the Aggrieved Party shall proceed to Step 2.

Step 2 - Superintendent of School

If the aggrieved party is not satisfied with the disposition of its grievance at Step 1, the party may file written grievance with the Superintendent within ten (10) school days. The Superintendent or his designee will meet with the aggrieved party, his Principal or immediate appropriate supervisor, or both, in an effort to resolve the grievance. Such a meeting will take place within ten (10) school days after receipt of the grievance by the Superintendent. The Superintendent shall, within ten (10) school days after this meeting, render his decision, in writing, to the aggrieved party.

Step 3 -Mediation

2. A Mediator will be obtained from the Federal Mediation and Conciliation Service.
3. The Mediator shall confer with the Superintendent or his Designee and the Association, and hold a hearing within twenty (20) school days or a date mutually agreed upon by all parties. If the hearing is unable to be heard within the twenty school days, the grievance shall be submitted to Step 4.
4. Nothing said or done by the parties during the mediation hearing can be used against them during the arbitration proceedings.
5. If no solution is reached to the satisfaction of both parties, the Association Grievance Committee may submit the grievance and all information in Steps 1 and 2 shall be submitted to Step 4.

Step 4 – School Board

The School Board shall conduct a hearing on the grievance at its next regularly scheduled meeting. The Board shall render its decision in writing to the Association within ten (10) school days after the meeting.

Step 5- Binding Arbitration

Grievances involving administration above the building level may be filed by the Association at Step 2.

3. When it is necessary for the Association to investigate a formal grievance or to attend a meeting or hearing held in the connection therewith, upon request to the immediate supervisor, the grievant and one (1) Association representative will be released from normal duties, without the loss of pay, in order to do so.

ARTICLE V CORRECTIVE DISCIPLINE AND TERMINATION

5.1 Corrective Discipline

Corrective and disciplinary action is designed to provide a fair and structured way for employees to improve their job performances and/or behaviors, which do not meet the standards or demands of their positions, and to provide a system for fair and equitable treatment of all employees.

1. The District will, through a corrective discipline system, give employees an opportunity to improve their job performances and/or behaviors, which do not meet the standards or demands of their positions. The goal of the corrective discipline system is to correct or improve unsatisfactory performance/behavior, and the measures utilized will be commensurate with the deficiency to be corrected.

2. If disciplinary action is deemed necessary it shall be done within twenty (20) days of the occurrence and the following steps will be taken:

a) Verbal Warning - A verbal warning or reprimand is given to the employee for the first occurrence of a minor offense. A warning is administered by the employee's immediate supervisor.

b) Written Warning - A written or formal warning is given to the employee in the first instance of more serious offenses or after repeated instances of minor offenses. The warning is administered by the employee's immediate supervisor. It states the nature of the offense and specifies any future disciplinary action, which will be taken against the employee if the offenses are repeated within a specified time limit. A copy of the written warning is placed in the employee's personnel file, but it is destroyed twenty-four (24) months following the date on which it was given if the intervening service has been satisfactory. The employee is required to read and sign the formal warning and has the right to pursue this matter under the grievance procedure.

c) Reprimand/Suspension without Pay - If, despite previous warnings, an employee still fails to reach the required standards in the specified time frame, the employee may be reprimanded and/or suspended without pay. Under suspension, the employee is barred from working for a period of time, and his/her salary is docked accordingly. Suspension without-pay actions could range from one (1) to twenty (20) days.

An employee may also be placed on suspension without pay pending discharge. A decision to suspend pending discharge is made based on the reasons for the discharge, and is generally utilized when the employee is suspected of gross misconduct, or when his/her continued presence during the investigation period would be a disruption to normal district business.

3. Dismissal - An employee who fails to correct unsatisfactory performance/behavior during previous steps in the progressive procedure will be terminated.

5.2 Termination

1. Resignation - An employee who resigns shall submit his/her resignation in writing to the District and give at least two (2) weeks notice. The Board shall not unreasonably withhold its consent.

2. The Association agrees that, in the event any employee resigns on or after July 15, of the year in which the contract is tendered for the ensuing contract year, the District may suffer a financial burden of at most five percent of the base salary of the adopted teachers' salary schedule in

locating a replacement employee, and therefore, further agrees that if the District demonstrates this financial burden, said employee shall pay the District five percent of the base salary of the adopted teachers' salary schedule as liquidated damages in the event the employee resigns on or after July 15, of the year in which the contract is tendered for that ensuing contract year. This provision may be waived if mutually agreed by the employee and the District.

3. Probationary Employee Termination - If, during the probationary period, an employee's performance or conduct is not overall satisfactory or he/she fails to qualify medically for reasons that render such person unqualified for the position, the employee may be terminated. Every probationary teacher being terminated will be entitled to the following:

- a) The teacher will be notified in writing before the 15th day of April. This notification will include a written statement declaring, clearly and explicitly, the specific reasons for the termination of his/her service.
- b) The teacher may, within ten (10) days of the receipt of the statement of reasons, appeal the termination through the grievance procedure.
- c) With the exception of the provisions stated above, the District agrees to adhere to NRS 391.3197 in regard to probationary teachers.

4. Post-probationary Employee Termination - A post probationary employee may be terminated or subject to disciplinary action if his/her performance or conduct is not overall satisfactory for the following reasons:

- a) Inefficiency
- b) Immorality
- c) Unprofessional conduct
- d) Insubordination
- e) Neglect of duty
- f) Physical or mental incapacity
- g) A justifiable decrease in the number of positions due to decreased enrollment or district reorganization.
- h) Conviction of a felony or of a crime involving moral turpitude
- i) Inadequate performance
- j) Evident unfitness for service
- k) Failure to comply with such reasonable requirement as a board may prescribe
- l) Failure to show normal improvement and evidence of professional training and growth.
- m) Advocating overthrow the Government of the United States or of the State of Nevada by force, violence, or other unlawful means, or the advocating or teaching of communism with the intent to indoctrinate pupils to subscribe to communistic philosophy.
- n) Any cause which constitutes grounds for the revocation of a teacher's state certificate.
- o) Willful neglect or failure to observe and carry out the requirements of his title
- p) Dishonesty

In determining whether the professional performance of a certificated employee is inadequate, consideration shall be given to the regular and special evaluation reports prepared in accordance with the District Policy.

5. Consideration Before Termination - Prior to termination, excluding termination pursuant to sections, 3, 4, and 6 of this article, an employee shall be given a warning an a reasonable time to rectify the problem. This warning will include:

- a) A precise definition of the problem in terms of professional deficiency.
- b) A precise set of expectations delineating what level of performance would constitute acceptable performance in the problem areas defined.
- c) A prescription of remediation which spells out courses of action and time expectations so the teacher involved can reach an acceptable level of performance.
- d) A prescription for assistance by the Principal or immediate supervisor which spells out courses of action and time lines, whereby the teacher will be assisted and counseled in improving the level of performance to an acceptable level.

According to the gravity of the offense, employee discipline short of termination may consist of oral warning, written reprimand, or suspension. Any incident or situation that arises during the current school year that could possibly be cited as a reason for termination will be discussed promptly with the teacher.

The District reserves the right, as a form of discipline, to place an employee on probation for a period not to exceed ninety (90) days in an effort to further evaluate and rehabilitate the employee.

6. An employee may be terminated without prior warning for the following misconducts or causes:

- a. Immorality
- b. Physical or mental incapacity
- c. A justifiable decrease in the number of positions due to decreased enrollment or district reorganization.
- d. Conviction of a felony or of a crime involving moral turpitude
- e. Dishonesty

Whenever the Superintendent has reason to believe that cause exists for the dismissal of a certified employee and when he is of the opinion that the immediate suspension of the employee is necessary in the best interests of the children in the District, the Superintendent may suspend the employee without notice and without a hearing.

Notwithstanding the provisions of NRS 391.312, the Superintendent may suspend a certified employee who has been officially charged but not yet convicted of a felony or a crime involving moral turpitude or immorality. If the charge is dismissed or if the employee is found not guilty, he must be reinstated with back pay, plus interest, and normal seniority. The Superintendent shall notify the employee in writing of the suspension.

7. Abandonment of work - An employee absent from work in excess of three (3) days without a satisfactory explanation shall be considered to have abandoned his/her job and shall be terminated.

8. Just Cause - No teacher will be disciplined, suspended, reduced in rank or compensation, adversely evaluated, transferred, dismissed, non-renewed, terminated, or otherwise deprived of any professional advantage without just cause.

ARTICLE VI TRANSFERS

6.1 Voluntary Transfers

The District policy recognizes that it is desirable, when making assignment, to consider the interests and aspirations of its teachers. Request by a teacher for transfer to a different class, building, or position will be made in writing, on forms furnished by the District, one copy to be filed with the Association and one copy to be filed with the Superintendent. The application will set forth the reasons for the request for transfer, the school, grade, or position sought. Voluntary transfers will be granted on the basis of experience, qualifications, Superintendent approval, and seniority of the applicant. Should the District or its agent deny a request for transfer, it will, within five (5) days, provide the teacher with written reasons therefore. No transfer will be denied without reasonable cause.

6.2 Involuntary Transfers - Within the Building Site

An involuntary transfer at the building site can be made by the District Superintendent. No transfer will be made without reasonable cause which must be provided to the teacher being transferred ten (10) days prior to the effective date. Notice must be in writing by the District Superintendent and include the following:

- a) Substantiation of the licensure/certification of the teacher for the grade level/subject area in the transferred position.
- b) Clearly written terms and conditions of the transfer; including, but limited to, the effective date of the transfer and the ending date of the transfer, if applicable.
- c) A statement to the transferred teacher assuring all rights and benefits of the master contract remain in full force and effect.

6.3 Involuntary Transfers - Between School Sites

When a vacancy occurs in the District and such vacancy has to be filled with existing staff, the vacancy will be filled in the following manner:

- a. Volunteers will be called from the staff and be open for five (5) days.
- b. If, within five (5) days, no volunteers have requested a transfer, the Superintendent will transfer the least senior teacher in the District within that grade level or teaching area.
- c. A teacher may be released from his/her contract, rather than accept the transfer, without prejudice.
- d. Reasonable moving expenses necessitated by an involuntary transfer will be borne by the District.

e. If the teacher objects to the process followed by the District, the dispute may be resolved through the grievance procedure, beginning at Step 2.

f. An involuntary transfer will not result in the loss of compensations, seniority, or fringe benefits.

6.4 Expected Vacancies:

The District shall furnish, as soon as possible, to the Association copies of Trustees' meeting minutes which shall reflect expected vacancies. The minutes shall reflect the position open, grade level, subject matter, and building or school of the vacant position.

ARTICLE VII REDUCTION IN FORCE

7.1 Personnel Reduction

1. In the event that the District elects to exercise its management right to reduce personnel because of a lack of funds or a lack of work, such reduction shall be effected as follows:

(a) The employee with the least seniority in the effected classification or position shall be laid off first.

2. The Association shall be notified as soon as possible of any impending layoffs.

3. Whenever there is a vacancy or anticipated vacancy in a bargaining unit position, laid off teachers who are qualified to perform the work in question will be recalled in order of seniority. Teachers shall be dropped from the recall list after one year (1), or if they decline a position when offered.

4. Any teacher re-employed by exercising recall rights shall be given the salary step held when laid off and shall be given all unused sick leave and other benefits held when laid off. A recalled teacher will not accumulate benefits during the lay-off period. Step pay increase shall be determined as provided in Article 12-3, Sub. 2.

5. A recalled teacher must repay any sick leave that was paid by the District at the time of the reduction in force.

7.2 Seniority

Seniority will be computed from a teacher's most recent date of hire in the bargaining unit (date of hire shall be defined as the date the signed contract is received at the school district office). Seniority will continue to accrue during all paid leaves of absence. Seniority will not be broken by unpaid leaves of absence. When seniority is equal between or among teachers, ranking of those teachers will be determined by preparation level as indicated by current placement on the salary schedule. When seniority and preparation level is equal between or among teachers, ranking of those teachers will be determined by experience level (high school experience for a high school position, junior high experience for a junior high position, etc.). When seniority, preparation level and experience level are equal between or among teachers, ranking of those teachers will be determined by the drawing of lots.

1. By September 30th of each school year, the Superintendent will provide the Association with a list showing the seniority of each teacher employed by the district, their areas of certification and courses taught.
- 7.3 When a reduction in force is necessary at one site in the district, the teacher whose position was terminated must take an open position in the District before bumping another employee.
